Minds Matter Bay Area

Are you a high school freshman
seeking FREE college prep?

Must be in 9th grade

Each student accepted into our program will receive:

- Free in-person SAT test prep
- A budget to pay for test and application fees
- Funding for summer programs and travel expenses
- A team that provides personalized support through the college admissions & financial aid process
- And two mentors matched to you who will guide you through high school and college applications

100% of our students have been accepted to 4-year colleges and **100%** are on track to graduate within four years.

MMBay students are **25X** more likely to graduate from a *selective* college, compared to similar peers.

MINDS MATTER

BAY AREA

Applicants must be driven and determined students who self-identify as low income. Priority given to applicants who qualify for free/reduced lunch in our target districts: **San Francisco site** (SFUSD) and **San Jose site** (ESUHSD and CUHSD)
